

NATIONAL FOREIGN INTELLIGENCE BOARD

MEMORANDUM FOR: National Foreign Intelligence Community
FROM: Director of Central Intelligence
SUBJECT: Congressional Hearing Schedule

In light of the evergrowing number of hearings at which NFIB member participation is being requested for the upcoming budget cycle, I am asking that you be sure to coordinate your appearances with my Legislative Counsel.

In this fashion we can hope to reduce overlapping requests for testimony among NFIB members and avoid being whipsawed between conflicting committee jurisdictions and points of view. Your cooperation in keeping Fred Hitz informed of each request for testimony before Congress will be much appreciated. He can be reached on
